

**SAVE THE DATE  
FOR THE HOLIDAY SALE/PARTY  
DECEMBER 13th, 5:30-8:30PM.**

**Handmade ceramic gifts are now on sale in the gallery! Ornaments, mugs, bowls, vases, jars, and more all made by La Mano's studio potters.**

**Join us at our Annual Holiday Party & Sale on December 13th, from 5:30-8:30 and get all of your shopping done while toasting to another wonderful year at La Mano.**

This year, we have decided to partner with a fabulous non-profit organization to help some NYC children and their parents have a happier holiday. We hope you will participate and spread a little cheer along with us.

[Stockings with Care](#) is a completely volunteer group --- dedicated to helping low-income parents fill the top holiday wishes of their children. Each child has written to "Santa" and made their wishes known to their parent or guardian.....Social workers who work closely with these families-in-need have provided the information to Stockings with Care who in turn manage the collection and delivery of these wrapped gifts back to the families in time for Christmas morning.

We like this organization a lot --- especially because they listen to the kids and try to get them what they really want AND they support the parents, so they can create the family's holiday in their own way.

A team of La Mano's Santa's Helpers is forming at the studio.....We will be collecting cash donations for this project and working together to reach **our goal of \$600**. Of course, we would love to exceed that amount. Every penny will go toward the children to whom we are assigned.

Already, we have 3 children: Taylor (a 1 year old boy); Maison (a 2 year old boy) and Juan (a 9 year old boy). Will you help us make their holiday special?

Here is how you can help ---

- 1.) make a cash donation through one of La Mano's Santa's Helpers at the studio.
- 2.) ask others to contribute as well (we are not limited to just La Mano folk --- let's open this up to others as well;
- 3.) join the Santa's Helpers team. If you want to help us collect the donations and/or participate in shopping, wrapping, delivering etc, please let us know by [email](#).

The delivery date for everything is early ----- Thursday, December 12th and Friday, December 13th --- so all of this will take place in the next 2 weeks.

No donation is too small ---- We promise to spend the donations wisely and entirely on the children. Please join us!

Ho ho ho,

Julie, Diane and Peggy

POTTERY TIP OF THE MONTH:

Give the gift of a pottery class or workshop! View our [January course schedule and register online](#). To purchase gift certificates please [email us](#).
