

LA MANO POTTERY

We are now offering Introductory Workshops on our class schedule. Try out our facilities, get your hands in the clay, and experience what ceramics is all about. The workshop is 2 1/2 hours, and each class is taught by one of our many experienced teachers. There are introductory workshops for Wheel Throwing or Handbuilding - choose the technique that piques your interest. For more information and to register, go to lamanopottery.com and click on the Intro Workshop tab.

Our Spring Show is in our gallery for the Month of May. The artist reception is **TONIGHT, May 6th, from 6-9pm**. There will be work from the entire La Mano community: students (adults and children), studio potters, and teachers. Think Mother's Day Gifts, vases, teapots, bowls, and more! We hope to see you there.

Yours in Mud,
Diane, Julie, & Peggy

Potter of the Month

Gil Santiago and his two children, Kira, and Mathias, were La Mano's featured Potters of the Month this past April. The show was fantastic and inspiring. Each individual pushed the envelope to create an array of treasured objects that were functional and sculptural using clay as a medium. (There were also a few paintings by Mathias).

In the News

We wanted to let you know La Mano is participating in The West Chelsea Artists Open Studios that will take place from May 6 - 8. Download the map and go around Chelsea to visit many studios of working artists - a rare and unique chance to see the up and coming artists of our time. Here is the link to the website with more information on all of the artists participating in the event:

Potter's Tip of the Month

Design

To create fun line designs on your pottery when glazing, use rubber bands or masking tape to create designs on your pot and then dip in the glaze. When the glaze dries, peel or take off the masking tape or rubber bands.
