

LA MANO POTTERY

Our Introductory Workshops have been a huge success - signing up for one of these classes is a wonderful way to test the mud and see if pottery may be your new thing! They are held on some Friday nights and most Saturday nights for 2 and 1/2 hours and taught by La Mano's most experienced potters. Check out our website for specifics.

It is not too early to start thinking ahead - our Fall class schedule is up on our website and posted below. You can register now at lamanopottery.com.

Always remember that a gift certificate to a special friend from La Mano Pottery can go a long way...

Yours in the nice cool mud,
Diane, Julie, & Peggy

Potter's Tip of the Month

Grooving

Make a small groove where you want the glaze to stop on your pottery piece. Then you can wax evenly and if the glaze starts to slide it goes in the groove instead of on the kiln shelf.
