

# LA MANO POTTERY

La Mano is busy during December. It feels like what we imagine Santa's workshop must be like, only a bit dustier.

Every time we unload a kiln, we know that many special people are going to be receiving some beautiful pots made by some very devoted potters. We are so happy that we can provide the space and time for all of this gift giving.

We hope to see you at our Holiday Party on December 14th, from 6-9pm, and if not, in one of our classes in the new year. Our schedule is posted below and on our website.

We wish you a peaceful holiday season.

From your mud-loving friends at La Mano,  
Diane, Peggy, and Julie

### Pottery Tip of the Month

#### Waxing Shortcut

"Lay a pencil flat on a table. Place your bisqued piece so the base of it touches the pencil tip. Turn your piece around while holding the pencil in place. This will create a perfect edge to follow when waxing."

- Amy Klein, La Mano studio potter and teacher
